

Buy Your Kerosene Where You See This Sign

IT is the Socony sign—displayed by all dealers who sell genuine Socony (So-CO-ny) Kerosene Oil.

A good product is worth giving a name to. Accordingly, we have given the trademarked name Socony to our best grade of kerosene oil. Ask for Socony and you are sure of getting the best.

Every gallon of Socony Kerosene conforms to certain fixed standards of quality. And quality is just as important in kerosene as it is in any of the other things you buy from your grocer—sugar, or flour or butter.

Socony Kerosene is free from dirt or other impurities, burns with a clear full flame, and does not make wick crust. It is so much better than ordinary kerosene that it is decidedly worth asking for.

Say "Socony" to the grocer's boy when he comes to take your oil can. Look for the Socony sign in the window of the grocery, hardware or general store where you buy your kerosene.

It is a quality sign and one of the easiest ways to recognize a reliable dealer.

We recommend the following oil burning devices as the best of their kind: New Perfection Oil Cookstoves and Water Heaters, Perfection Smokeless Oil Heaters, Rayo Lamps and Lanterns.

RELIEF FROM PAIN

Remove pain misery as many thousands of others have done, by applying Minard's liniment, an old, reliable prescription. No other remedy acts so quickly or effectively. It is pure and antiseptic, wonderfully soothing, and is the most effective remedy for rheumatic pains, soreness and stiffness of joints and muscles, lameness, sore hands, tired, aching feet, pains in chest, sore throat, and for sprains, strains and bruises. You cannot afford to be without it, for its use is never disappointing and it cannot possibly harm or burn the skin.

Do not suffer—get a bottle of Minard's liniment from any drug store.

ITCHY RASH ON CHEST AND FACE

Later On Shoulders and Back, Burned Like Fire, Had No Rest at Night.

HEALED BY CUTICURA SOAP AND OINTMENT

"I had a rash which began on my chest and face, later going to my shoulders and back. It was very itchy and I had to scratch it which made it burn like fire, and the skin was sore and inflamed. When my clothing would rub against it, it caused itching and burning which was very uncomfortable and I had no rest at night, for after going to bed I would go to sleep for a few moments only to be waked up again."

"I let the rash go for about a week when I used Cuticura Soap and Ointment. After the first application they seemed to stop the itching and after I used two boxes of Cuticura Soap and Ointment and four cakes of Cuticura Soap I was healed." (Signed) Wm. C. Robertson, 85 Mountain Ave., Dorchester, Mass., Oct. 21, 1915.

COULDN'T FOOL HIM TWICE

Experience Proved That There Was Nothing "Just As Good" as Father John's Medicine for Colds and Throat Troubles and As a Body Builder

The victim of an unscrupulous druggist in a Pennsylvania town says that when he asked for Father John's Medicine the druggist persuaded him to take something else which was "just as good," according to the clerk.

"I might just as well have taken so much water," this writer continues. "I afterward went back and got Father John's Medicine and in a short time I felt the good effects. It increased my weight, gave me strength and helped my bronchial trouble."

In some localities this practice of substitution by druggists is an evil practice of vast proportions. The unscrupulous druggist who forces upon you a different preparation when you call for Father John's Medicine is doing you an injury.

Remember that Father John's Medicine is a doctor's prescription, pure and wholesome, free from opium, morphine, chloroform or any other dangerous drugs or alcohol and with a history of more than 50 years' success in the treatment of colds, throat troubles and as a tonic and body builder.

Begin taking it to-day; it will make you strong.

Quickest, Surest Cough Remedy is Home-Made

Easily Prepared in a Few Minutes. Cheap but Unequaled

Some people are constantly annoyed from one year's end to the other with a persistent bronchial cough, which is wholly unnecessary. Here is a home-made remedy that gets right at the cause and will make you wonder what became of it. Get 2½ ounces Pinex (50 cents worth) from any druggist, pour into a pint bottle and fill the bottle with plain granulated sugar syrup. Start taking it at once. Gradually but surely you will notice the phlegm thin out and then disappear altogether, thus ending a cough that you never thought would end. It also loosens the dry, hoarse or tight cough and heals the inflammation in a painful cough with remarkable rapidity. Ordinary coughs are conquered by it in 24 hours or less. Nothing better for bronchitis, winter coughs and bronchial asthma.

This Pinex and Sugar Syrup mixture makes a full pint—enough to last a family a long time—at a cost of only 54 cents. Keeps perfectly and tastes pleasant. Easily prepared. Full directions with Pinex.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, rich in quinine, and is famous the world over for its ease, certainty and promptness in overcoming bad coughs, chest and throat colds.

Get the genuine. Ask your druggist for "2½ ounces Pinex," and do not accept anything else. A guarantee of absolute satisfaction, or money promptly refunded, goes with this preparation. The Pinex Co., Ft. Wayne, Ind.

HOW TO GET RID OF CHRONIC DANDRUFF

The only sure way to get permanently rid of dandruff is to remove the conditions that cause it and then keep the hair and scalp in a clean, healthy, vigorous state so dandruff will never return. This means shampoos, which merely remove the dandruff for a few days at most. The Red Cross Pharmacy is now strongly recommending Parisian Sage, a harmless, inexpensive and quick acting preparation, that is guaranteed to act directly on the cause of dandruff and entirely remove it or the purchase price will be cheerfully refunded.

Here is a test no one should fail to try. Get from your druggist a package of Parisian Sage. Rub a little of it into the scalp with the finger tips and see for yourself how the dandruff disappears, the hair falls out and all itching immediately ceases. Nothing hurts the scalp more than dandruff, so why not begin using Parisian Sage to-day and be forever rid of it—adv.
